Accessibility

This section shows accessibility issues, indicating problems for older users, people with disabilities or accessibility needs. Automated testing cannot detect all accessibility issues, so should be used alongside human testing.

Level A

5 issues on 1 pages

- A video plays longer than 5 seconds, without a way to pause it.

Remove the `autoplay` attribute, or add a `controls` attribute to the video, or use a pause control with an `aria-controls` attribute referencing the video.

[WCAG 2.2 A 2.2.2](#)

```
<video autoplay loop playsinline class=' w-full h-full ...'><source  
src='/videos/environment-hero.mp4' type='video/mp4'><div class=' w-full h-full ...'  
style='background-image:...'></div></video> line 364
```

<https://www.compleohealth.com/sustainability>

- SVG elements with `graphic role` attributes must have an accessible name.

SVG elements with `role=img`, `role=graphics-document` or `role=graphics-symbol` need an accessible name provided by the SVG `title` element or an ARIA label.

[WCAG 2.2 A 1.1.1](#)

```
<svg stroke='currentColor' fill='currentColor' stroke-width='0' role='img' viewBox='0 0 24  
24' class=' h-5 w-5 text-w...' height='1em' width='1em'><path d='M20.447 20.452h-  
3...'></path></svg> line 364
```

<https://www.compleohealth.com/sustainability>

- The element `button` must not appear as a descendant of the `a` element.

An interactive control nested inside another interactive control is not voiced correctly by screen readers, and its name role and state is ignored.

[WCAG 2.2 A 4.1.2](#)

```
<button class=' btn-base focus-...'><div class=' flex flex-col ...'><div class=' bg-white/20  
rou...'>...</div><div class=' flex flex-col ...'>...</div></div>...</button> line 364
```

```
<button class=' btn-base focus-...'><div class=' flex flex-col ...'><div class=' bg-compleo-  
deep...'>...</div><div class=' flex flex-col ...'>...</div></div></button> line 364
```

```
<button class=' btn-base focus-...'>Partner With Us</button> line 366
```

<button class=' btn-base focus-...'><div class=' flex flex-col ...'><div class=' bg-white/20  
rou...'>...</div><div class=' flex flex-col ...'>...</div></div>...</button> line 364
```

```
<button class=' btn-base focus-...'><div class=' flex flex-col ...'><div class=' bg-compleo-  
deep...'>...</div><div class=' flex flex-col ...'>...</div></div></button> line 364
```

```
<button class=' btn-base focus-...'>Partner With Us</button> line 366
```

<https://www.compleohealth.com/sustainability>

- This skip link is broken. The target anchor does not exist or is commented out.

The anchor after the # symbol points to a non-existent ID on this page, so nothing happens when it's clicked. In most cases the target ID has been removed accidentally and should be reinstated.

[WCAG 2.2 A 2.4.1](#)

No element with `id='main-content'`

```
<a href='#main-content'>Skip to main content</a> line 333
```

Level AA

2 issues on 1 pages

- Ensure that text and background colors have enough contrast.

Some users find it hard to read light gray text on a white background, dark gray text on a black background and white text on a red background.

- The contrast ratio should be 3.0 or more for 18 point text, or larger
- The contrast ratio should be 3.0 or more for 14 point bold text, or larger
- The contrast ratio should be 4.5 or more for all other text

[WCAG 2.2 AA 1.4.3](#)

The text color to background color contrast ratio after composition is:

2.97 with color: rgb(255,255,255) background: rgb(0,169,144) font-size: 15pt font-weight: 700

<h3 class=' text-xl font-bo...'>Work Placements</h3> line 366

2.97 with color: rgb(255,255,255) background: rgb(0,169,144) font-size: 12pt font-weight: 600

PARTNER line 364

2.66 with color: rgb(229,246,243) background: rgb(0,169,144) font-size: 9pt font-weight: 500 opacity: 0.9;

with us line 364

2.97 with color: rgb(255,255,255) background: rgb(0,169,144) font-size: 15pt font-weight: 700

<h3 class=' text-xl font-bo...'>Health Education</h3> line 366

2.97 with color: rgb(255,255,255) background: rgb(0,169,144) font-size: 15pt font-weight: 700

<h3 class=' text-xl font-bo...'>NHS Trust partnerships</h3> line 366

- 🔔 The CSS outline or border style on this element makes it difficult or impossible to see the link focus outline.

Do not remove the default outline style, and change any border styles to avoid obscuring the focus outline around focusable elements. See :focus-visible for more information. Using a border or outline style that obscures the focus ring causes problems for keyboard-only users in:

- Chrome (obscures the focus indicator on links, buttons, dropdowns and range controls)
- Firefox (obscures the focus indicator on links)

[WCAG 2.2 AA F78](#)

outline-color: matches background

<button class=' btn-base focus-...'><div class=' flex flex-col ...'><div class=' bg-white/20 rou...'>...</div><div class=' flex flex-col ...'>...</div>...</button> line 364

outline-color: matches background

```
<button class=' btn-base focus-...'><div class=' flex flex-col ...'><div class=' bg-compleo-  
deep-...'>...</div><div class=' flex flex-col ...'>...</div></div></button> line 364
```

outline-color: matches background

```
<button class=' btn-base focus-...'>Partner With Us</button> line 366
```
